ECTS Points for CSS MA courses

To complete the MA Programme students are required to complete nine 20 hour courses (1hour = 60 minutes) and to write a dissertation

All optional courses are worth 4 points. The two compulsory courses in the first teaching period are also worth 4 points (ie the amount of work for all courses, optional and compulsory, is the same).

Induction period

Induction period total = 4 Points

Period one

Period one courses are worth 4 points each

4 courses must be taken for credit:

2 compulsory courses at 4 points each

2 optional courses at 4 points each

Period one total = 16 points

Period two

Period two courses are worth 4 points each

3 courses must be taken for credit

Period 2 total = 12 points

Period 3

Period three courses are worth 4 points each

2 courses must be taken for credit

Period 3 total = 8 points

Dissertation

Total = 20 points

<i>Total for year</i>	<i>= 60 points</i>
